

# APPLICATION FOR 'IMPORT MRL' FOR PESTICIDE RESIDUE IN FOOD

## **GUIDE FOR APPLICATION:**

- i. All section in this form must be completed.
- ii. Where relevant, provide summary of information.
- iii. Submit copies of all references cited in the text as appendices.
- iv. All information must be submitted in English.
- v. Application should be addressed to:

Senior Director for Food Safety and Quality  
Ministry of Health Malaysia  
Level 4, Menara Prisma  
No. 26, Jalan Persiaran Perdana, Presint 3  
**62675 PUTRAJAYA, MALAYSIA**  
(Attn: Mrs. Nor Azmina Mamat)  
(Tel: +603 – 8885 0797 ext 4048, Fax: +603 – 8885 0790)  
Website: <http://fsq.moh.gov.my/v6/xs/page.php?id=72>  
E-mail: [mrl\\_pesticide@moh.gov.my](mailto:mrl_pesticide@moh.gov.my)

**\* Application shall be made prior to exportation of the commodity into  
Malaysia (at least 1 year before)**

## **A. APPLICANT DETAILS**

1. Requestor's name :

---

2. Company/organisation name:

---

3. Address (postal):

---

---

4. E-mail address:

---

5. Contact number: (Office) \_\_\_\_\_ (Fax): \_\_\_\_\_

(Mobile) \_\_\_\_\_

**B. PESTICIDE DETAILS**

6. Chemical common name (ISO):

---

7. Chemical name and number (CAS):

---

8. Chemical name (IUPAC):

---

9. Type of pesticide :

---

10. Activity (mode of action or chemical group code):

---

**C. PARTICULARS OF THE FOOD COMMODITY TO BE EXPORTED**

11. Name of the commodity in Malaysia.

---

12. Name of the commodity/crop group in the exporting country.

---

13. Indicate Codex commodity name, crop group and classification number, if available.

---

14. Indicate if nominated commodity/crop group is a new or existing traded item in Malaysia by exporting country.  
(If new commodity, indicate year of first entry).

---

**D. RESIDUE DEFINITION (S)**

(if different to that applied in Malaysia)

15. For enforcement (compliance with MRLs).

(Indicate the origin/source of the definition with links to published information)

---

16. For dietary exposure assessment, if different from above.

(Listing those metabolites included for dietary exposure assessment, and indicate the origin/source of the definition with links to published information)

---

17. Analytical methods for MRL enforcement

---

Reference

---

18. Analytical methods for dietary exposure (if different).

---

Reference

---

19. Nominate the analytical limits of detection (LOD) and quantification (LOQ) values for the analytical methods.

---

Reference

---

**E. HEALTH BASED GUIDANCE VALUES**

(if different to that applied in Malaysia)

20. Acceptable Daily Intake (ADI).

---

Reference

(If not from JMPR indicate the origin/source of the definition with links to published information)

---

21. Acute Reference Dose (ARfD) - if necessary.

---

Reference  
(If not from JMPR indicate the origin/source of the definition with links to published information)

---

22. ARfD (if established separately for metabolites in residue definition listed previously).

---

Reference  
(If not from JMPR indicate the origin/source of the definition with links to published information)

---

23. ARfD (If established for other population groups).

---

Reference  
(If not from JMPR indicate the origin/source of the definition with links to published information)

---

## **F. REQUESTED MRL DETAILS AND SOURCE**

24. Indicate the requested MRL value  
(Indicate the requested MRL value)

---

Reference

---

25. Origin of the requested MRL  
(Indicate the origin/source of the requested MRL with links to published value).

26. Approved use pattern of the exporting country for the pesticide versus food commodity to be imported  
(Provide information on the approved use pattern, i.e., Good Agriculture Practice (GAP)).

---

27. Countries in which the pesticide MRL has been approved.  
(Indicate other countries in which the pesticide x versus commodity use is approved).
- 

**G. DIETARY EXPOSURE ASSESSMENT AND ORIGIN**

(If domestic consumption data are unavailable the JMPR IEDI and IESTI assessments can be used).

28. Outcome of long-term (chronic) dietary exposure assessment and origin, e.g. JMPR (JMPR - Joint FAO/WHO Meeting on Pesticide Residues)
- 

Reference  
(Indicate year assessment completed)

---

29. Outcome of short-term (acute) dietary exposure assessment and origin, e.g. JMPR.
- 

Reference  
(Indicate year assessment completed)

---

**H. ADDITIONAL INFORMATION**

(that may be required to support an import MRL request)

30. Pesticide x commodity information  
(to be provided when an exporting economy undertake domestic dietary exposure assessments).
- 

31. Supervised Trial Median Residue (mg/kg) (STMR)  
(IF STMR not available use requested import MRL as default value)
- 

Reference

---

32. Relevant processing factors when an import MRL request refers to a processed food commodity (STMR-P/HR-P)

---

33. Highest Residue (HR) (mg/kg).  
(IF HR not available use requested import MRL as default value)

---

Reference

---

34. Residue trial data (Summaries).

---

Reference

---

35. Residue trials data (Full studies).  
(Summaries, and if full studies required, provide separately)

---

Reference

---

**I. REQUESTED COMMODITY INFORMATION**

(Volumes of commodity proposed to be imported)

---

**DECLARATION:**

I \_\_\_\_\_ (full name), hereby declare:

a. that this application is made by myself / on behalf of:

\_\_\_\_\_

b. that all particulars given in this form including all appendices attached are true and correct.

Signature : .....

Name (capital letter) : .....

Name and address of : .....

Company/ organisation .....

.....

Official stamp : .....

Date : .....
